Persian Gulf Veterans' Benefit Program Summary Report

This section includes high level program statistics such as claim volume and dollars awarded. It also provides a summary of key program dates.

On April 24, 2006, the Governor signed House Bill 1820 into law as Act 29 of 2006. This Bill establishes the Persian Gulf Conflict Veterans' Benefit Program. The Pennsylvania Department of Military and Veterans Affairs administers the benefit which provides a one-time lump sum "bonus" payment to eligible Pennsylvania Veterans of the Persian Gulf War. Eligible Pennsylvania Veterans include current and former members of the United States Armed Forces, a reserve component of the United States Armed Forces, or the Pennsylvania National Guard who served from August 2, 1990 to August 31, 1991 within the program-designated Persian Gulf Conflict Theater of Operations. Additionally, Service Members/Veterans must have been a legal resident of Pennsylvania, received the Southwest Asia Service Medal (SWAM) for active service during the period from August 2, 1990 to August 31, 1991, and been discharged from active duty under honorable conditions, if not currently on active duty. In some cases, surviving relatives of deceased Veterans may receive the "bonus" payment on behalf of eligible Veterans.

Program Overview

This section provides a program summary. It covers the background of the program, enabling legislation, summary of eligibility requirements, program benefits, and the application, reconsideration and appeals processes.

Even if a Veteran already applied for the bonus, but was denied, we encourage them to reapply. We are reviewing all denials prior to the sunset of the program.
