SECTION 3

FOR CLERK TYPIST APPLICANTS ONLY

Testing is required for all Non-Civil Service Clerk Typist positions, and is conducted by the Civil Service Commission. The Commission will notify you by mail or email of your test date. There are several test centers throughout the state. The Harrisburg, Philadelphia, and Pittsburgh locations administer the tests Monday through Friday. The other test center locations administer the tests on Tuesdays, Wednesdays (some evenings), and every other Saturday. Please indicate below where you would like to be tested.

The Clerk Typist test has two parts: a typing test weighted 50% and general test weighted 50%. Both of these test parts are administered on a personal computer. No previous computer experience is necessary to take the test. There is a 5-minute practice typing exercise followed by the actual typing test, which is also 5 minutes. To pass, you must type 40 words per minute after deduction for errors. **If your score is less than 40wpm, you may retake the typing test once on the same day.** After passing the typing portion, you will take the second part of the exam on the personal computer involving math, spelling, grammar, etc. The two portions are combined into one score called a Final Earned Rating (FER).

If you do not pass the typing test on the second try or if you pass the typing portion but fail the general exam, you are required to wait 75 days before retesting. You will then be required to re-apply and retake all parts of the examination. Your most recent examination result will be the only one counted.

If you pass the Civil Service test, your results will be forwarded to BSE and you will be eligible for both Civil Service and Non-Civil Service employment. You will remain on the Civil Service employment list for the period of time indicated on your "Notice of Examination Results" form; and you will also remain active in BSE for one year. If you have any questions about the testing process, please contact this office at (717) 787-5703 [TTY (717) 787-0570].
