Facility Update
• Residents and visitors must now press a button to notify security officers when they wish to enter the CLC building. The button is located just outside the main doors. This added level of security is part of SEVC’s enhancement of systems to keep residents, staff, and visitors safe.
• At the end of summer, we will be looking for volunteers to help us increase the number of hours our canteens remain open. We’re expanding canteen hours as a result of the removal of some vending machines from common areas throughout the facility.

Featured Resident: Richard Reichenbach

You could call new SEVC resident Richard “Rick” Reichenbach a traveling man. He and his late wife, Janet, spanned the globe, enjoying adventures in various locales.

“My wife was the one with a fondness for travel, and she usually picked the destinations,” he said. “We traveled all over Europe, where one of our favorite destinations was Monte Carlo. My overall favorite trip was to Africa.”

Originally from Bensalem, Bucks County, Rick was a U.S. Navy Seal stationed in New Port, Fla., serving from 1974-1978. He spent nine months in Vietnam in 1975.

After his discharge from the service, Rick worked as a correctional officer.

Rick has two children — Kimberly and Richard, Jr. — as well as six grandchildren.

Welcome Rick to SEVC, if you can catch him on his travels throughout the facility.

Lots of people want to ride with you in the limo, but what you want is someone who will take the bus with you when the limo breaks down.

SEVC STAFF UPDATES

EMPLOYEE OF THE MONTH

Sarah Asante, Certified Nurse Aide
June 2019

Sarah Asante, Certified Nurse Aide, is the SEVC Employee of the Month.

Sarah is always pleasant with residents and co-workers, and willing to help with anything asked of her. She is kind to all residents and provides excellent care. She knows what is supposed to be done and gets it done. She motivates her co-workers in a positive, productive manner. She is a wonderful asset to the facility.

Staff Earn Certifications, Licensing

After three intensive days reviewing 10 modules, hours of studying, and passing 10 tests, Teresa Guido-Cox, RNAC, received her Registered Nurse Assessment Coordinator certification. Module topics included care planning, quality measures, MDS coding, and scheduling various assignments, all areas that will help her maintain a high quality of care at SEVC.

In addition, Deputy Commandant Mildred Butler-Coleman, NHA, completed and passed testing to receive her Personal Care Administrator license. This, along with her existing nursing home and registered nurse licenses, makes Mildred well prepared to take on various assignments within the facility.

Congratulations to Teresa and Mildred on their achievements.

Local Realtors Pitch In On Outdoor Beautification Project

Real estate agents know their way around a garden, as evidenced by their work in the flower beds located at the entrance to Coates Hall. Representatives from Long and Foster got their hands dirty pulling weeds, planting flowers, and spreading mulch in the areas around the circle and gazebos. We thank them for their hard work, and can’t wait to see the results.

The Notables Belt Out Hits From a Bygone Era

Residents were treated to the stylistic tones of “The Notables,” a mixed-voice singing group with a repertoire of hits reminiscent of days gone by. Their brightly colored hats added to the melodic sounds of their varied song list.

Residents: Save The Date For An Old Country Picnic

When: July 23, 2019
Meal: Lunch
Where: All floors, Coates Hall and CLC
What: Hamburgers, corn-on-the-cob, and other traditional picnic fare.

Staff members are encouraged to wear their denim overalls and red bandanas, and dress in the spirit of the theme.
Veterans Homes Week 2019

The Southeastern Veterans’ Center (SEVC) honored residents, family members and staff with week-long festivities during the annual Veterans Homes Week, June 9-15. Numerous activities were held throughout the week – everything from a luau to swing dancers; a petting zoo to a color guard ceremony in honor of Flag Day.

In addition, Admission Coordinator Jill Alwine hosted a facility-wide Open House on June 13. The nearly 40 visitors had an opportunity to tour Coates Hall and the CLC Building, and to ask questions about life at SEVC. Included in the reception area were renderings of SEVC’s Adult Day Healthcare facility, showing the potential for this addition to our offerings. Anticipated groundbreaking for the center is January 2020.
“The annual Veterans Homes Week is a special time to honor our residents for their service to this nation, while also recognizing our staff, volunteers and families for their wonderful care and support of our veterans.”

Maj. Gen. Tony Carrelli, PA Adjutant General
TAG Annual Fishing Tournament

Several residents and staff members participated in The Adjutant General’s Annual Fishing Tournament, held at Dauphin County Anglers & Conservationists. They joined their counterparts from the Delaware Valley Veterans’ Home in Philadelphia and Gino J. Merli Veterans’ Center in Scranton in a day of trout catching, food and camaraderie.
