MISSION STATEMENT:

The mission of the Military Family Relief Assistance Program is to receive donations and provide financial assistance to eligible service members and eligible relatives of eligible service members when they demonstrate a direct and immediate need for financial assistance.

THE PROGRAM:

The Military Family Relief Assistance Program (MFRAP) was established by Act 65 of 2005. Its purpose is to provide financial assistance in the form of a grant to eligible Pennsylvania Service Members or their eligible Family members during a time of hardship arising out of active duty service. Since its inception, MFRAP has awarded over \$874,000.00 in grants to those who have experienced sudden and unexpected critical needs. The program has helped Service Members and their Families in a variety of situations ranging from a simple unexpected cost of child care to helping restore the livelihood of a Family during a time of crisis while on active duty service.

This program is funded exclusively through the generous donations of public-spirited Pennsylvanians. Through this effort, over \$1,895,000.00 has been raised through a tax-checkoff from tax refunds and privately written checks. All donations are utilized to support grants.

The outreach efforts are aimed to reach a wide target audience through different venues. Information is presented at every Pre-Deployment Briefing to raise awareness with the Families of the availability of the resource. Additionally, brochures and information are presented at conferences, Family Program meetings, Family Assistance Centers and via Military-oriented Internet portals.

MFRAP is funded by voluntary donations, most of which come from Pennsylvania Personal Income Tax refund check-offs. Direct donations to the program are also accepted.

MFRAP is authorized by Section 7319 of the Military and Veterans Code (51 Pa. C.S. 7319). The Program is administered under guidelines published by the Department of Military and Veterans Affairs at 40 Pa.B.2825 (May 29, 2010).

MFRAP has proven to be a valuable resource to Pennsylvania Service Members and is just one of the many ways we continue to support our Military Families while serving the missions of the Commonwealth and that of the United States.

2. 19 July 2018: Applicant had been on ADOS orders beginning February 2018, then transitioned into Annual Training orders, followed by a break in orders, and was then placed on AGR. Due to documented pay errors and "MyPay" site problems, this soldier never received pay from the Annual Training. The applicant would also not receive any pay from the AGR job until mid-July. The period of time without a paycheck created financial hardship for the soldier. Grant awarded \$3,219.00.
3. 20 July 2018: Applicant was diagnosed with a severe illness and would be in treatment for a minimum of six weeks. With a spouse and two young children to provide for, the family needed help with household bills during this difficult time. Grant awarded \$3,500.00.
4. 30 July 2018: Applicant's home became flooded from a broken sewer line and the repairs were estimated at more than \$7,200.00. The soldier has a spouse and 6 children to provide for and this unexpected household expense is unaffordable for them without assistance. Grant awarded \$3,500.00.

APPLICATION ACTIVITY

APPROVED:

1. 12 July 2018: Applicant had been on ADOS orders, which ended unexpectedly due to funding issues. The applicant would not be back on orders until August and as a single parent with two children to provide for, could not survive financially without assistance until then. Grant awarded \$2,873.00.
2. 19 July 2018: Applicant had been on ADOS orders beginning February 2018, then transitioned into Annual Training orders, followed by a break in orders, and was then placed on AGR. Due to documented pay errors and "MyPay" site problems, this soldier never received pay from the Annual Training. The applicant would also not receive any pay from the AGR job until mid-July. The period of time without a paycheck created financial hardship for the soldier. Grant awarded \$3,219.00.
3. 20 July 2018: Applicant was diagnosed with a severe illness and would be in treatment for a minimum of six weeks. With a spouse and two young children to provide for, the family needed help with household bills during this difficult time. Grant awarded \$3,500.00.
4. 30 July 2018: Applicant's home became flooded from a broken sewer line and the repairs were estimated at more than \$7,200.00. The soldier has a spouse and 6 children to provide for and this unexpected household expense is unaffordable for them without assistance. Grant awarded \$3,500.00.
5. 17 September 2018: Applicant had recently been medically discharged and requested temporary assistance with household bills until the family can transition into the new lower income and household budget, while the applicant seeks new employment that will not be affected by his disabilities. Grant awarded \$2,000.00.
6. 28 September 2018: Applicant was experiencing financial hardship following a medical discharge. The expenses of moving back to Pennsylvania, plus the rent, security deposit and travel related expenses, created a financial setback for the soldier. Grant awarded \$2,866.00.
7. 12 October 2018: Applicant's home was damaged by flooding and the repairs will exceed \$3,500.00. The applicant's insurance company denied the claim and the family has asked for assistance with these unexpected repairs. Grant awarded \$3,500.00.
8. 24 October 2018: The applicant, who has several young children, was forced to flee an abusive situation and find alternate housing. The soldier needed temporary assistance to move into a safe place with the children. Grant awarded \$2,200.00.
9. 18 December 2018: Applicant had requested temporary assistance to avoid an eviction and pay overdue bills. An injury had prevented the applicant from starting a new

assignment, and the temporary inability to work created a financial hardship. Grant awarded \$3,500.00.

10. 7 January 2019: Applicant's home required a new boiler and the cost to replace it was estimated at almost \$7,000.00. The applicant is a single parent and was unable to afford the unexpected expense without assistance. Grant awarded \$3,500.00.
11. 6 May 2019: Applicant was in the process of medical retirement and would be experiencing a significant loss of income. In addition, moving costs were adding up and there was also a large car repair bill to be paid. Grant awarded \$3,500.00.
12. June 13, 2019: Applicant had unexpected repair expenses after their home's basement flooded, causing over \$5,000 in damages. There was also a mold problem that had to be treated as soon as possible, with 5 children in the household. Grant awarded \$3,500.00.
13. June 13, 2019: Applicant had a medical emergency and became 100% disabled and medically retired. The unexpected event created financial hardship for the family. Grant awarded \$3,500.00.
14. 19 June 2019: Applicant was deployed and earning significantly less than his earnings at his civilian job. In addition, the family's stove needed to be replaced and their vehicle required repairs. The family asked for temporary assistance to get caught up on these bills. Grant awarded \$3,500.00.
