DMVA Now Accepting Online Donations Benefiting The Pennsylvania Veterans' Memorial

The Pennsylvania Department of Military and Veterans Affairs (DMVA) has added a new opportunity for individuals or businesses to make an online donation to the Pennsylvania Veterans' Memorial Trust Fund. Donations via the online application at www.donate.dmva.pa.gov will be used to preserve the Pennsylvania Veterans' Memorial, located at the Indiantown Gap National Cemetery, Lebanon County.

Maintained by DMVA, the Pennsylvania Veterans Memorial stands 107 feet high and 360 feet long. Its design evokes "the ruins of a war-torn building centered in a land of solemnity." Designed by Cee Jay Frederick Associates, West Chester, PA, the granite, stone, and concrete composition was dedicated October 7, 2001 and cost \$6.2 million to construct. The Pennsylvania Veterans' Memorial is the first in the commonwealth to honor Veterans of all eras from the Revolutionary War forward and it is the largest Veterans' memorial located in any of the 133 national cemeteries operated by the U.S. Department of Veterans Affairs.

Since December 2015, donors have been able to make online donations to the Veterans' Trust Fund and the Military Family Relief Assistance Program. Additional funds benefitting Veterans will be added to the online application in the near future. All that is needed is internet access to make a donation and the online application, which features responsive design technology to make it accessible on mobile devices and computers, accepts MasterCard, Visa, Discover or American Express.

DMVA also makes available Pennsylvania Veterans' Memorial [replicas](#) for \$15 as well as in-ground [cruciforms](#) ranging from \$500 to \$2,000. One hundred percent of the purchase price goes to the PA Veterans' Memorial Trust Fund. Order forms for both may be found on the DMVA website.

Those interested in making a tax-deductible contribution to help preserve the Pennsylvania Veterans' Memorial can send a check or money order payable to "Pennsylvania Veterans' Memorial Trust Fund" and mail it to: DMVA Office of Veterans Affairs, Bldg 0-47, Fort Indiantown Gap, Annville, PA 17003.

Pennsylvania Department Of Foreign Wars' Loyalty Day

Brig. Gen. Tony Carrelli, acting adjutant general for the Department of Military and Veterans Affairs, presented Governor Tom Wolf's proclamation during the Pennsylvania Department of Foreign Wars' Loyalty Day ceremony. Loyalty Day began as "Americanization Day" in 1921 to counter the Communists' May 1 celebration of the Russian Revolution. It evolved into Loyalty Day through a resolution in 1949 and Congress made it a permanent fixture on the nation's calendar in 1958. Loyalty Day celebrates freedom, democracy and open elections.

Governor Wolf Announces Veterans' Trust Fund Grant Recipients

Governor Tom Wolf announced today that 13 Pennsylvania County Departments of Veterans Affairs Offices will receive \$150,000 in grants and 18 charitable organizations and veterans' service organizations will receive \$400,000 in grants from the Pennsylvania Veterans' Trust Fund (VTF). The VTF is administered by the Department of Military and Veterans Affairs (DMVA).

"Those who have served and those families who have sacrificed to aid our country deserve our deepest gratitude and we must ensure we serve them after they did so much for us," Governor Wolf said. "These organizations are on the front-lines of ensuring Pennsylvania veterans are getting the support that they have earned."

These grants are funded by generous Pennsylvanians who voluntarily made a \$3 donation when applying for or renewing their driver's license or photo ID and renewing a motor vehicle registration, as well as proceeds from the sale of the Honoring Our Veterans license plate. This is the third year that grants have been awarded from the Veterans' Trust Fund.

DMVA received 18 County Director of Veterans Affairs grant applications totaling \$249,199.35 and 87 charitable organizations and veterans' service organizations grant applications totaling \$3,068,517.39. Grant applicants slated to receive funding identified \$578,586 in matching funds to be used in conjunction with their grant request. Combined with the VTF grant funding, this will result in veterans' initiatives totaling \$1,128,586.00 over a period of up to 24 months.

"By awarding these grants we are able to fund a variety of worthwhile programs that assist and support Pennsylvania's approximately 916,000 veterans and their families thanks to the general public's support of the Veterans' Trust Fund," said Brig. Gen. Tony Carrelli, acting adjutant general for the Department of Military and Veterans Affairs.

Grants of up to \$150,000 were available for new, innovative and expanded programs operated by County Directors of Veterans Affairs or the Pennsylvania Association of County Directors of Veterans Affairs. The two areas of emphasis for these entities were veteran outreach initiatives and veterans' court initiatives within Pennsylvania at the community, county, regional or statewide level. Department of Education and DMVA Announce New Veteran Friendly Policy

Pennsylvania Secretary of Education Pedro A. Rivera and acting adjutant general, Brigadier General Tony Carrelli announced a new policy that moves Veterans, active military personnel and their spouses to the front of the line when applying for a teacher license.

Under the new policy, which took affect in May, applications for teacher certification from Veterans, military members, and their spouses will receive expedited service and a reduced fee. This new policy will help military Veterans and spouses who were previously certified in the state when they return to Pennsylvania after serving elsewhere, as well as those applying for certification for the first time.

Rivera said, "These educators bring tremendous experience and energy into the classroom, and will be an asset in our education community."

Carrelli added, "What this program does is rightfully give those who have raised their right hand and taken an oath to serve our country and their spouse who have sacrificed much, a pass to the front of the line when applying for educator certification in Pennsylvania. By doing this, a military family planning a change of station or deciding where to settle down when they leave the service, have on less thing to worry about or be in flux for an extended period of time."

In order to qualify, a Veteran is an individual who served at least 180 days of active duty, other than for training, or was discharged after serving 30 days due to a service-connected disability in the US Armed Forces and was discharged or released from active duty under honorable conditions.

Military, Veteran and spouse applicants can apply for the desired certification using the online [Teacher Information Management System](#), TIMS.

More information is available at www.education.pa.gov.
