Persian Gulf Conflict Veterans' Benefit Program

Act 29 of 2006 (House Bill 1820)

Act 50 of 2015 (House Bill 175)

Background: On April 24, 2006, House Bill 1820 was signed into law as Act 29 of 2006. This Bill establishes the Persian Gulf Conflict Veterans' Benefit Act. On November 7, 2006, Pennsylvania voters gave overwhelming approval to a ballot question to fund the program. The bond issue created a fund for the payment of compensation to, or on behalf of, eligible current and former members of the United States Armed Forces, a reserve component of the United States Armed Forces, or the Pennsylvania National Guard. **On October 30, 2015, House Bill 175 was signed into law as Act 50 of 2015, extending this Benefit Program to August 31, 2018.**

Eligibility: The program allows for compensation to be paid to eligible service members (current and former) as well as certain surviving relatives of deceased veterans. In each case, the service member/veteran must have:

- Served with the United States Armed Forces, a reserve component of the United States Armed Forces or the Pennsylvania National Guard.
- Served on active duty service in the Persian Gulf Theater of Operations during the period from August 2, 1990 to August 31, 1991.
- Received the Southwest Asia Service Medal (SWAM) for the period from August 2, 1990 to August 31, 1991.
- Been a legal resident of Pennsylvania at the time of active duty service in the Persian Gulf Theater of Operations during the period from August 2, 1990 to August 31, 1991.
- Been discharged from active duty under honorable conditions, if not currently on active duty.

Eligible beneficiaries of deceased veterans include, in the following order of precedence:

- Surviving spouse.
- Surviving children.
- Surviving parents.

Active Service: For purposes of calculating the amount of the benefit payment based on months of service, "active service" is defined as :

- For a member of an active component of the Armed Forces of the United States, time served on active duty for which the member has received the SWAM for service related to the Persian Gulf Conflict Theater.
- For a member of the Pennsylvania National Guard or a reserve component of the armed forces of the United States, time served on active duty for the support of operations in the Persian Gulf Conflict Theater whether or not that service was in Theater, provided the member was on active duty in the Persian Gulf Theater of Operations during the period from August 2, 1990 to August 31, 1991 and received the SWAM.

Exceptions: Service members, veterans or their surviving beneficiaries are not eligible for the program, if a bonus, gratuity, or compensation similar to that provided by this Act has been received from any other state or if the service member or veteran has:

- Renounced his or her US citizenship.
- At any time during the Persian Gulf Conflict or thereafter, been separated from the armed forces under less than honorable conditions.
